This year's annual report focuses on the theme of ***"Impacting Lives…Together."*** You, our donors, help us make a difference in our region – a region we all love. The photos on the front and back covers include the LOVE mural in Chatham, the HOME sign in Danville, and additional LOVE signs in South Boston and Pittsylvania County. The mural of the four individuals is in Yanceyville, NC and it depicts educator N.L. Dillard, artist Maud Gatewood, midwife Henrietta Jeffries, and baseball player Neal Watlington. We encourage you to visit these destinations in our community.

Board President's Message

As president of the board of directors, I extend my appreciation to all who review this Annual Report and for taking the time to learn about The Foundation's activities during the past fiscal year. The board and staff are grateful for your support and trust in our organization. Our financials, detailed in this publication, reflect The Foundation's diligence in prudently investing the gifts given to us for the past 29 years. As Dan's letter below states, we have been able to award more money to the community than at any other time in our history, further enhancing the lives of so many. I have had the privilege of serving on the board of directors since July 1 of 2021. During the past four years I have served on the finance committee, as Treasurer and Vice President, and now President. In these roles, I have admired and followed the protocols in place to ensure financial oversight and well being. Each board member and I believe we are privileged to act as stewards of the charitable funds entrusted to The Foundation. As a privilege of this nature would require, we strive to maintain, enact, and manage the policies and procedures that essentially protect all stakeholders of The Foundation.

The assets of The Foundation have grown significantly over the past few years and many new funds, including scholarships, have been established. The status of The Foundation is bright and prosperous as you will see as you read our report. I invite and encourage you to contribute to The Foundation so that we can continue making positive steps in the area we call home.

Vince P. Kania
Board President
Fiscal Year 2025-2026

Reflection From Our Executive Director

As we reflect on our past fiscal year in this annual report, the theme of *"Impacting Lives....Together"* resonated with us. Through the many funds established by local residents, The Foundation has impacted many individuals and organizations. We are filled with gratitude for the unwavering support and trust given to The Foundation by so many in our service area and we have many things to celebrate! The significant growth in our asset value over the last two years has already benefited the community through larger dollar amount grants and scholarships. Five new funds were established, including three scholarship funds and a fund that supports career and technical training in Caswell County. A fifth fund, the Special Initiatives Fund, will provide grants that support The Foundation's Strategic Plan. Exciting times indeed!

Recently, I took time to review letters and annual reports written during the years when the market was flat or even in decline, and the message shared then is the same today. We will continue to trust the system. The policies and procedures protecting the contributions, made by hundreds of people to support our community, are strictly adhered to and have allowed your Foundation to support those in need and to create life-changing opportunities.

Your Community Foundation is possible because of the overwhelming generosity of its donors and their dedication to improving the quality of life in our region. Thank you to everyone who is a part of The Community Foundation. If you want to learn more about how The Foundation supports our community by creating new funds and building existing funds, I hope you will contact me to talk about what is possible when we work together to improve our community.

About Us

Our Mission

The Community Foundation of the Dan River Region improves and enriches the lives of the region's residents by encouraging and facilitating donations; managing, investing and distributing these donations in accordance with donors' wishes while meeting community needs; and ensuring these donations create a lasting legacy of growth and opportunity throughout the region.

Our Vision

The Dan River Region will be known for the overwhelming generosity of its communities and dedication to improving quality of life, providing support for those in need, and creating life changing opportunities.

Our Values

The Community Foundation of the Dan River Region believes in:

- Trustworthy and transparent activities
- Efficient and effective internal operations
- Equitable and unbiased processes
- Strong relationships within the region's communities
- Sharing and celebrating the region's collective stories of success

Who We Are

The Community Foundation of the Dan River Region was established in 1996 by a steering committee of local civic leaders to gather and manage permanent funds to enhance quality of life in the region. The Foundation is dedicated to responsible and effective community philanthropy. Community Foundations are fundamentally tied to a specific geographic area, where they work to serve the interests of donors, residents, and the community at large. For The Foundation, the defined local geographic area includes the City of Danville, the counties of Pittsylvania and Halifax, and Caswell County, North Carolina.

To meet the varied philanthropic needs of its donors and the communities it serves, The Community Foundation offers a range of fund types and services. The Community Foundation is a fully tax-exempt, public charity described in Sections 501(c)(3) and 170(b)(1)(A)(vi) of the Internal Revenue Code.

What We Do

The Community Foundation of the Dan River Region accepts contributions, including cash, stocks, and other types of investments. These funds are pooled and invested under the direction of a Board of Directors composed of community leaders. Income from the funds is distributed annually in the form of grants and scholarships.

Our annual Appreciation Luncheon, held on November 14, 2024, brought together 145 supporters of The Foundation to celebrate a year of giving. Attendees learned of the financial strength and impact of The Foundation.

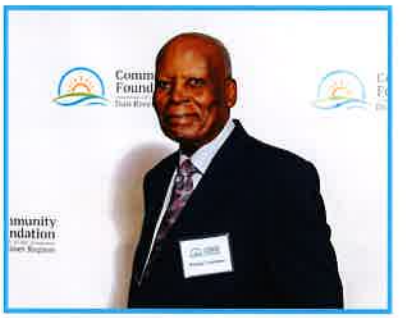
Traci Petty led a panel discussion with Russell Carter and Kenny Lewis emphasizing the power of community collaboration between the Ruby B. Archie Library and the Church and Community Tutorial Program. Sheila Williamson-Branch reviewed The Foundation's financial position and investment strategies. Dan Hayes delivered a progress report for the fiscal year.

About Us

Benefits and Ways of Giving

By joining with thousands of Community Foundation donors, you have found an easy way to accomplish your charitable dreams. As our partner in giving, you receive the simplicity and tax advantages of a public charity combined with the personal recognition, involvement, and flexibility of a private foundation.

Easy A fund can be established with a simple governing document that requires less than an hour to prepare. You can establish a charitable fund without having to cope with the complexities of setting up a special-purpose nonprofit corporation.



Personalized We take pride in our ability to personalize services to meet your charitable objectives. You may establish a fund that supports your favorite charitable organizations or programs, the community's greatest areas of need, or a broad field of interest. You may also contribute to an existing fund or make an unrestricted gift that our Board of Directors will put to good use in the community on your behalf.

Effective We are dedicated to ensuring that your charitable giving is as effective as possible. Your fund will benefit from a knowledgeable grant oversight staff, excellent financial management and a closely monitored investment strategy. Your charitable gifts are an investment – in your community, your church, your alma mater or whatever causes you select. Tap into the expertise of our staff members who are available to assess the effectiveness of a grant, research a giving option or discuss opportunities with you.

The board of directors and staff held a retreat in August of 2024 to discuss goals for the fiscal year and review the strength of The Foundation.

Put Your Passion into Action - Ways To Give

Animal Protection Society of the Northern Piedmont, Inc. received a $10,500 grant from the Community Impact Fund to purchase an emergency standby generator.

They reported "The emergency standby generator makes our shelter disaster ready. We have peace of mind now that a bad ice storm, hurricane, or extended power outage from any other cause will not interrupt our being able to provide the care, attention, and clean housing that the shelter animals need. This has made a huge difference for APS, its staff, its volunteers, and the animals we care for at the shelter. We appreciate it greatly. It was a bonus for us that the installers son, who helped with the installation, adopted one of our dogs while he was there!

The Community Foundation's Prior Year Grant Funding In Action

Middle schools in the area offer an introduction to and project completion of robotics career activities in GO TEC labs. Once they complete the middle school piece there is a two-year gap before the Automation & Robotics Pathway opens up again in the 11th grade. VTT, LLC (an Affiliated Company of Virginia Tech) offers a robotics camp through the Global Center for Automotive Performance Simulation program located at the Institute for Advanced Learning and Research. Rising 9th and 10th graders have the opportunity through the camp to stay engaged, excited and committed to this career path. This camp offers a bridge to the gap that exists and serves students to build their knowledge of spatial reasoning, robotic mechanisms and functions, coding, and general problem solving. The students design, build, and participate in a robotics competition as well as experience field trips to expose them to a variety of opportunities and technologies.

Changing Lives Outreach Center was awarded a $20,000.00 grant from the Danville Regional Foundation Fund. The grant was used to provide food, safety materials and supplies to low-economic residents in Danville, Pittsylvania County, and Caswell Couty. The grant supported the expansion of Changing Lives' mobile food bank and supported the implementation of wellness-based community outreach.

CHANGING LIVES
OUTREACH CENTER
CDC

Over the course of the program, 110,125 pounds of food was distributed to over 4,000 families, including children, seniors, and people experiencing homeless. In addition to food distribution, nutrition education was offered to 500 families. Participants learned how to prepare healthy meals with the ingredients provided to them. Post-program surveys revealed that 40% of participants reported an increase in knowledge about nutrition and healthier food choices. The program also fostered a sense of community among the more than 100 volunteers, strengthening connections and promoting awareness of food insecurity in our area. Changing Lives Outreach Center has made significant strides in advancing their mission to address food insecurity and improve nutrition education within the Dan River Region.

Adkerson-Dodson Special Education Scholarship – Averett- Special Education

Receiving a scholarship award means the world to me. It is not just about the financial support, although that is incredibly important. It represents recognition of my hard work, dedication and commitment to academic excellence. This scholarship is a validation of my potential and abilities, giving me the confidence to pursue my dreams and goals without the burden of financial stress. It is an opportunity for growth, both intellectually and personally, and a step towards a brighter future where I can make a difference in the world. This scholarship award is not just a gift; it is a vote of confidence in my potential to succeed and thrive.

With this scholarship, I am able to pursue my education without worry of how it will be paid for since I am a first-generation college student.

This scholarship means a lot to me. As a first-generation immigrant, my parents came over to grant me the ability to have a good education. Although we do not have much money, they want me to succeed and one way to succeed is to go to college. My mom never finished high school, my dad never went to college, and my brother had to drop out of college because we had very little money. This scholarship is allowing me to get the education most of my family didn't get the opportunity to have.

Approaching my junior year, without this scholarship, I wouldn't be able to enroll in school and have such incredible opportunities at my fingertips. This year, because of your help, I was able to take an internship working in naval engineering research that will set up my future career. I couldn't be more appreciative of the financial help for helping me further my education and launch my career. Thank you.

The honor of receiving this scholarship means that the pursuit of becoming a speech-language pathologist is within reach. As a recipient, I am not only able to recognize my past achievements, but I am also granted the opportunity to create new goals within graduate school. This scholarship will essentially allow me to provide a voice for those with complex communication needs, and I am very thankful for the opportunity to do so.

This scholarship means a lot to me. As a first-generation immigrant, my parents came over to grant me the ability to have a good education. Although we do not have much money, they want me to succeed and one way to succeed is to go to college. My mom never finished high school, my dad never went to college, and my brother had to drop out of college because we had very little money. This scholarship is allowing me to get the education most of my family didn't get the opportunity to have.

I am utterly grateful to receive this monetary award to help me further my education. It is truly an honor to be considered a candidate worthy of this as it means I have achieved the academic I have strived for. For that, thank you. Every dollar means the world to me.

Students gather to celebrate at our Annual Scholarship Reception on June 2, 2024 at the Pittsylvania County Community Center. 160 scholarships for the 2024-2025 academic year, totaling $341,240.80, were awarded to 147 students from the City of Danville, and Counties of Pittsylvania, Halifax, and Caswell.

This scholarship means a lot to me. Coming from a middle-class family & wanting to attend a private, prestigious, university is a big leap. I haven't always been certain that I could do it financially, so being able to be one step closer to not worrying about college finances is incredible. Any scholarship I receive means being able to focus more on my studies & less on my financials. It also means I am one small step closer to becoming the nurse I strive to be. I am immensely grateful for this opportunity.

Fifteen years ago, in August of 2010, the Roy L. and Mary G. Doss Scholarship Fund was established through a bequest from the estate of Mr. Roy L. Doss. This scholarship is awarded to deserving students, with financial need, from Danville and Pittsylvania County. Mr. Doss, a Danville native, served during World War II in the U.S. Navy's Naval Amphibious Force in the Asiatic Pacific Theater. After his military service, he worked as an electrician. Mrs. Doss worked at Dan River Inc. for 38 years. The Doss Scholarship is our only renewable award, with requirements for volunteer hours and grade point averages. This year, we awarded $5,500.00 scholarships to thirteen deserving students. Students may renew for three years, if they meet the guidelines, making each student possibly eligible for a total of $22,000.00. What an incredible legacy Mr. Doss created for students from his hometown!

Make a Difference.
Change a Life.
Leave a Legacy.

Giving

Planned giving, or legacy giving, is the act of making a significant gift during life or planning to leave a gift as part of your overall financial or estate plan. It is typically motivated by a desire to make an enduring impact on causes you care about deeply.

Our 1996 Legacy Society recognizes people who have generously left a gift to The Community Foundation in their will or estate plan. Donors who notify us of their plans receive special recognition. Making a legacy gift is easy and can be adjusted at any time in the future. The Foundation does not ask the amount of your intended gift. Donors may choose to remain anonymous, however, we encourage you to share your name as an inspiration to others to look toward the future. Your generosity as a Legacy Society donor is a permanent reminder of your values. It represents your extraordinary commitment to ensuring every community member — across generations — can thrive!

Planned gifts may offer substantial financial, tax, and estate planning benefits while supporting the vital work of nonprofits across our communities. While most planned gifts provide future support, such as bequests in wills or living trusts, some planned gifts provide current support, such as gifts of real estate. It is always best to consult with your financial or legal advisor and a representative from The Community Foundation to ensure your gift is accepted and honored as intended.

Legacy is fundamental to what it is to be human. It offers a glimpse into relationships, builds strong communities, and enriches the human spirit. We all inherit legacies and pass them on, adding to our lived experiences and values.

Please consider joining your fellow community members in the 1996 Legacy Society so that your legacy will also be

Impacting Lives…Together.

Legacy Society Members

The Community Foundation is fortunate to have dedicated benefactors who support our mission, including many who have chosen to secure its future through planned gifts. These generous visionaries have turned their compassion into action. Below are members of our Legacy Society. We are grateful for their generosity, and it is our great pleasure to acknowledge these very special partners.
